For Breeder Vouchers select *under 12 weeks or *12-18 weeks.

If your puppy is older than 18 weeks, you will need to select Basic Obedience. In this case your breeder voucher is good for a discount on the cost of the basic obedience course.

Please note that your eligibility for a breeder voucher will be checked with the breeder you nominate and your dog's date of birth.

If your puppy has not come through one of Relaxed Obedience's Breeder Partners, you will need to select Online – Puppies based on your puppy's age or General Obedience or CBS Common Behaviour Solutions (specific struggles).

Note: there are other options when you scroll down – including Face to Face Training. Some of these are dependent on trainer availability in your area. Face to Face Training almost always incurs an additional travel fee to cover the cost and time of your trainer travelling.

Dogs and Puppies that come to us that are NOT breeder voucher eligible are required to pay an Annual Admin Fee also.

9. You will then be taken to the verification screen. Note there is a drop-down list where you can pick which of your dog's you are selecting the package for.

10. Next you need to indicate your availability for training on the sign-up screen. This allows us to find a trainer who can train at a time that works for you. List as much as you can – the more flexible you are, the easier it tends to be to allocate a trainer and the quicker you can start training. You can add any comments relating to training here too (what you need help with or what you would like to achieve).
